 6:45 p.m. Presentation / Q&A

## National Veterans Memorial and Museum Project Profile

National Veterans Memorial & Museum

The National Veterans Memorial and Museum is an iconic project for the City of Columbus. The complex structure consists of three concentric concrete rings attached to each other with structural steel. The compound curve arches have ever changing radii and complicated geometry requiring the use of special techniques, technology and communication tools to achieve the design intent. A 100% custom formwork system and concrete mix design have been employed to address the challenges of the project.

The ACI NE Ohio Chapter invites you to join us on **March 22, 2018** in welcoming Mr. Rob Ford. Rob, earned his architecture degree from The University of Cincinnati and is a Project Manager for Baker Concrete Construction. He manages pre-construction on design/build, IPD and traditional design-bid-build projects and has experience in civil, commercial and health care projects.

RSVP to Brooke Hayden, Chapter Secretary, **by Monday, March 19th, 2018** to: [secretary@neohioaci.org](mailto:secretary@neohioaci.org). Please note that **once reservations have been made, if they are not cancelled within 48 hours of the presentation, you will be invoiced to cover the cost(s) incurred by the chapter.**

Chapter Members \$35 / Non-Members: \$40 / Students \$15.

**Payment Option:** We accept online payments! If this is your preferred method of payment, please go to <https://squareup.com/market/aci-northeast-ohio-chapter>. If paying via check, please make checks payable to Northeast Ohio Chapter of ACI, Inc. Payment is due upon registration.
