

May 4th & May 11th, 2019 (2 Part Session)
Concrete Field-Testing Technician – Grade I Certification
Sponsored and Presented by
The Northeast Ohio Chapter of ACI

WHO SHOULD ATTEND?

The program is intended to upgrade the quality of concrete construction. Individuals interested in quality concrete who are employed by concrete suppliers, contractors, testing laboratories, government agencies, and other organizations in the construction industry will benefit from taking the course and becoming ACI certified.

- COURSE DATE(S):** Session 1: (Review) May 4th, 2019 - 8:00 a.m. – 12:00 p.m.
Session 2: (Exam) May 11th, 2019 – 8:00 a.m. – 12:00 p.m.
- COURSE CONTENT:** Session 1: Attendance to this session is optional and will include a review of the workbook that covers all applicable ASTM specifications and actual hands-on testing of concrete in the laboratory.
Session 2: Written test will be given first, followed immediately by laboratory practical test.
- COURSE LOCATION:** BASF Headquarters
23700 Chagrin Boulevard
Beachwood, OH 44122
- PPE REQUIREMENT:** Individuals are required to wear proper PPE to the review and examination sessions.
Proper PPE includes: safety glasses; gloves; safety work shoes (steel toe preferred). No flip flops, crocs, tennis shoes, dress shoes, etc.
Not having the proper foot attire could result in the registrant not being allowed to take the practical test.
- COURSE FEE:** \$392.00 per person for Northeast Ohio ACI Chapter Members
\$460.00 per person for Northeast Ohio ACI Chapter Non-Members
\$153.00 per person for retest of written or practical test only (workbook not included)
\$255.00 per person for students
- REGISTRATION DEADLINE:** **Friday, April 26, 2019**
Register early so that you will receive your workbook prior to the exam.

****Should you reschedule continually within one year's time, and a full year passes from your original application date, you will be required to pay the initial course fee again.**
