

August 10, 2019
CI Concrete Flatwork Finisher & Technician Certification
Sponsored and Presented by
The Northeast Ohio Chapter of ACI

WHO SHOULD ATTEND?

Certification is for those who desire to be certified as a Flatwork Finisher or Flatwork Technician and who has experience in placing and finishing concrete flatwork. This program will require knowledge in: Basic Concrete Technology, Concrete Materials and Mix Proportioning, Concrete Control Tests, Proper Use of Finishing Tools, Placing, Consolidating and Finishing, and Edging, Jointing, Curing and Protection. **No review is offered for this certification.**

DATE: August 10, 2019 - 8:00 a.m. - Noon (Examination ONLY)

COURSE CONTENT: This exam is for those individuals/applicants who can verify the required work experience to become certified as a flatwork finisher by signed affidavit form(s) from current and/or previous employers since this course will not include actual hands on performance examination. Those people who cannot satisfy the work experience criteria can still take the written exam and be certified as a Flatwork Technician.

The exam is a two-hour written examination that is closed book consisting of approximately 50 multiple choice questions.

LOCATION: **BASF Headquarters**
23700 Chagrin Boulevard
Beachwood, OH 44122

FEE: **\$303.00 per person for Northeast Ohio ACI Chapter Members**
\$356.00 per person for Non-Members
\$163.00 per person for Retest
\$256.00 per person for students

REGISTRATION DEADLINE: **Friday, July 26, 2019**
Register early so that you will receive your workbook prior to the exam

****Should you reschedule continually within one year's time, and a full year passes from your original application date, you will be required to pay the initial course fee again.**
