It's time to renew (or start!) your membership with our local chapter of ACI. Enclosed is the membership form for 2021. Membership entitles you to discounted program fees, access to the chapter library, chapter meetings and much more!

Individual Memberships are only \$30 annually! Corporate Memberships are \$130.00 annually and comes with two Individual Memberships. Additional Individual Memberships may be added onto the corporate membership for only \$20.00 each. With your Corporate Membership, your company logo will be included on our meeting flyers, on our chapter's website and webinars. When signing up for a Corporate Membership, please also email the logo to us in a jpeg format to Secretary@neohioaci.org.

In 2021, we will host monthly webinars to include: ODOT Specification updates, Virtual Tour of Opportunity Corridor, Panel Discussions, etc. The webinars will be free and schedule around lunch time, so employees are able to attend. We will also continue to offer Continuing Professional Development Credits (CPDs) to those who attend the webinars.

Our annual golf outing will be in June, and we take a break during the busy construction season (July through September). Hopefully by October 2021, we will be able to host a in person presentation/dinner. Everyone is welcome and encouraged to attend the webinar. It's a great way to meet people working within the industry and to hear about local projects and other topics of interests.

We are always looking for better ways to serve our membership and the concrete and construction industries. Please direct ideas, suggestions, and inquiries to the email below, and, as always, feel free to contact any board member.
